MISS KATHERINE A. PAGE, daughter of the American ambassador to Great Britain, Walter Hines Page, and Mrs. Page, whose engagement to Charles Creely Loring, of Boston, was recently announced, is a graduate of Bryn Mawr. Just after her father's appointment to the diplomatic service and before she had left college, Miss Page was asked if there was any chance that she might become so attached to England that she might wish to make it her future home, and marry some distinguished Briton. "Never," she replied. "When I do marry the man must be an American and at least half as good as my father."

Mr. Loring is truly a "Good American." His father, the late Gen. Charles A. Loring, was a distinguished officer in the civil war and later, like Miss Page's father, was prominently connected with one of the leading book publishing houses of America. Miss Page's fiancé is an architect and lives in Boston.

Our Large Spring Showing of Baby Carriages

Of great importance in the life and health of the baby is the Carriage or Go-Cart. More than one baby there is that does not get out in the fresh air and sunshine enough. The good and reliable Carriage is the means provided for taking the little ones out frequently, with greatest ease to them and their mothers or caretakers and entire comfort and benefit to the babies.

This Spring We Are Making the Largest and Finest Display of Baby Carriages That We Have Ever Had, on the Fourth Floor Adjoining the Toy Department.

\$22.50

The Reed Carriages are now the most popular, and we have a fine showing of the Natural and White, in all sizes and qualities that can be depended upon. These carriages have to be very carefully chosen in order to make sure of quality, and we guarantee them to be the best obtainable.

A most attractive feature of the Carriages known as the "Pullman Sleeper" is the turn-table body. So built that the body may be turned from front to back by a simple device, thus always protecting the baby from sun or wind.

\$25.00

Unusually good values are offered in Reed Carriages at \$22.50 and \$25.00.

Close by we have all sorts of Baby Vehicles and Furniture: Go-Carts, Sidewalk Sulkies, Collapsible Sulkies, High Chairs, and Children's Chairs and Rockers.

Fourth floor, Center and F street.

A Simple Way to Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve, and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Adv.

U. S. MONEY ORDER SERVICE RECOVERS

With the exception of transactions with Austria, Belgium, Egypt, and Portugal, which have suspended money order business with the United States, the international money order business of the United States postal service has entirely recovered from the war flurry, and conditions are nearly normal, according to an announcement from the Postoffice Department.

All restrictions against business with the other countries of Europe have been removed, and there is no \$100 limit on orders to any individual.

Restoration of normal conditions in most countries affords vast relief to individuals from Palestine to the Baltic, who were dependent upon children or relatives in America for a stream of gold that brought the necessities of life.

The vast utilities of the money order service or the great number of people dependent upon it, were never realized. It is declared, until war conditions caused a general restriction because of high rates of exchange. In the height of the war crisis postal officials had to wrestle with thousands of pathetic cases.

Hundreds of American citizens who were caught abroad in the first flush of war activities, were succored by the money order service, when they could obtain money in no other way.

'Pal' Slang Word? Nope, It's Sanskrit

A: Least That's What the Billy Sunday of Ireland Tells Audience.

"Pal" is not slang. On the contrary it comes from Sanskrit, and has as noble a parentage as any polysyllabic Greek or Latin term, said the Rev. Robert Patterson, temperance lecturer, "the Billy Sunday of Ireland," and originator of the "Catch-My-Pal" movement, who preached in four Washington churches yesterday.

"The original meaning of 'pal' is not only 'friend,' but it means one who will stoop to add another," said Mr. Patterson at the Mt. Vernon M. E. Church last night, where he closed his active day. "If I hadn't coined that little phrase, 'Catch My Pal,' my movement would not have spread over the world."

"Six years ago in Ireland I got six drunks to sign the pledge, and then induced each of them to return in a week with his pal. So this thing of 'catching pals' has gone on until more than 160,000 men in Ireland alone have taken the abstinence pledge."

"Go out and save your pal. Go into the drawing rooms of the wealthy, for there you will find dirt and dirt as well as in the tenements. Go into the homes of the fashionable if your pal is there, and maybe some of you had better begin in your own homes. Don't let your religion be only a Sunday performance."

YOU'RE BILIOUS, CONSTIPATED, HEADACHY! MEANS LIVER IS SLUGGISH—DIME A BOX

Furred tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and constipated bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untimely misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascarets tonight will surely straighten you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular and make you feel cheerful and bully for months.

Don't forget your children—their little bodies need a good, gentle, cleansing, too, occasionally.—Adv.
